

JANUARY 2017

Sabrina Porter
AIMER TO SCOTLAND

This month I have had many opportunities to stay busy teaching Bible Studies, services at Church of Hope, being involved at the part time Bible school, and attending Northern District Conference in Dublin, Ireland. We are also pleased with how

the Bible Study at Heriot Watt is going on. In the meeting pictured below, we had eight people join us!

The people of Church of Hope gave me a warm send-off Sunday. I will miss them and Scotland, but I hope to return in July for another year.

Thank you for being a part of the revival in Scotland!

Please continue to pray for Edinburgh, Heriot Watt University, contacts for Bible Studies, the missionaries, Bro. and Sis. Beek. as well as for my fundraising efforts in the coming months.
