

Praise the Lord,

It is truly wonderful to be back in the German Speaking Nations! It is a great privilege to now be serving with fellow AIMers, **Pastor and Sis Sledge** in the capital of Germany! Working together, we plan to intercede, reach, and love this city! I want to thank everyone who was involved in raising my AIM budget in less than 3 months! I am excited for what the Lord has planned for this next year in Life Center UPCI and Berlin!

We are thrilled to have started a weekly Campus Ministry Bible Study in *Eberswalde's University of Applied Sciences* with **Sis. Sarah Nötz** who is the host student! We recently have been granted favor to have a room to host Bible Studies in and we had 1 new student join us this past week for Bible Study.

Pastor and Sis. Sledge are using technology in our advantage to have mid-week Bible Studies via Skype! Grateful for powerful teaching by our leadership.

Life Center's youth has started youth home Bible studies and youth prayer. We are praising God for youth that are seeking the Lord in their lives!

Each week, together as a church we are going throughout Berlin to pray for God's will over the souls in Berlin!

GSN UPCI General Conference hosted by **The Church of Acts** in Vienna, Austria was a phenomenal

conference with incredible moves of the Holy Ghost. **3 received the Holy Ghost and 4 were baptized in Jesus Name!**

Other miracles, signs and wonders from other parts of the German Speaking Nations:

Speaking specifically about the country of Switzerland, **The Hulsmans** who are Associate Missionaries to Switzerland, have planted a thriving church in Zurich and are over seeing works in Interlaken as well as Bern. This past week a dear lady from Basel,

Switzerland received the Holy Ghost, which in turn opened a door for

an Apostolic church in Basel, Switzerland! However, there is a need, since it is very costly to travel to 4 different cities on an AIM budget. The Hulsmans are needing to rise around \$15,000 for a year of transportation to help them and their interpreters reach the hungry souls throughout these 4 churches. I hope that you would prayerfully consider helping my fellow AIM team members cover costs of transportation to these different cities so that more souls can be reached with Apostolic truth!

If you would like to donate any amount (\$10, \$50, \$15,000!) the best way is to contact Pastor and Sis Hulsman at [nhulsman23@me.com](mailto:nhulsman23@me.com)

Thank you for your prayers, love and support in reaching souls in Berlin, Germany and throughout the German Speaking Nations!

Your AIMer,  
Sis. Sarah Mock
