Claiming OUR Nation

MAY 2017

While in prayer, we have felt strongly to claim the cities and villages all across our nation of Romania. One song says, “We are bold, we are strong, we are ready to march on, Through Christ, we will take this city!”

May 4, we took a trip to North Romania with Missionary Patterson. It was wonderful to visit our contacts and to be an encouragement. Christine taught the children a lesson in Romanian. It’s always a joy to share from the Word of God. We are believing for greater things as we claim the town of Roznov for Jesus!

Roznov, Romania

We are experiencing a transition as Missionaries Patterson return to the States for Deputation, however we are excited to remain and continue the work on the field. May 15-21, We had a focused prayer and fasting for North Bucharest. We are going to see great things happen as a result!

Outreach, YOM Brussels

May 24-27, we were blessed to be a part of ‘Youth on Missions’ in Brussels with Pastor Van Gorp. We rejoice as 30 received a healing, 2 baptized, and 10 filled with the Holy Ghost!

This past Sunday, Maria was baptised in Jesus name! There were 38 in our service with guest Pastor Ionut Zabou from Madrid. We thank God for the growth taking place in Bucharest!
