## Arrival in Athens

All the mothers of Crossroads Church in Athens being honored with flowers from the children enjoyed times of prayer meeting and fellowship with the wonderful church members.

We arrived in Athens on May 11th and settled into the evangelist quarters of Crossroads Church. I taught for church prayer service Saturday night and preached Sunday morning for Mother's Day. My wife had the opportunity to address all of the mothers. We also

## Arrival in Heraklion

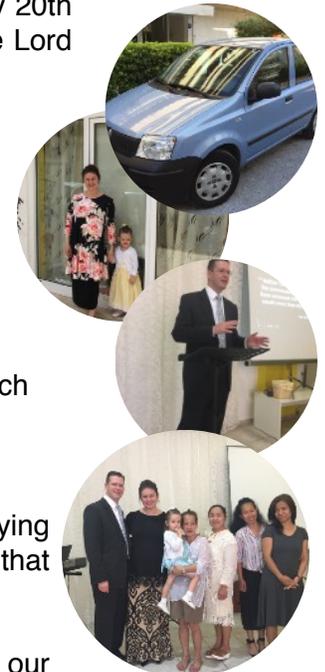

A nation-wide transportation strike delayed our leaving for Crete by four days. On May 20th we arrived on the beautiful island of Crete to settle in the capital city of Heraklion. The Lord blessed us with a wonderful little car to lease for the summer and a very comfortable apartment just outside the city limits. We began Greek language lessons shortly after settling into our apartment.

We've had two church services since we have been here and have started a weekly Bible study in the homes of the church members. Several of the ladies attending the church have husbands who have thus far not been interested in the church. We pray that through these Bible studies we can have a captive audience and reach these spouses. In our first home Bible study, the hostess' husband, who has never before participated in home Bible study with his wife, joined us for the very first time, for which we are thankful!

## Looking Ahead

We plan to start a Sunday School program the first Sunday of June and are praying parents will come with their children and stay for the main service afterwards. We ask that you would pray that we can affect entire families through this new outreach opportunity.

Several people from the Catholic community have expressed interest in coming to our church and some have made commitments to attend. Please pray that the Spirit of the Lord will continue to draw these souls.

Thank you for all of the prayers and financial support. Please continue to pray for us and for the lost souls of this nation! May God richly bless you for your involvement in His kingdom.
