

Greetings from Scotland!

The month of June has been an exciting one! Three weeks of training from Global_Representatives that shared their burden and heart with us. The sessions were thought provoking and beyond incredible.

Sis. Kelly talked about broadening our vision when praying. Not only praying for our family, church and country, but going beyond praying for those millions of miles across the globe who we will never see. This is just a glimpse of what we have learned!

During this time God has been doing tremendous work in Glasgow! Three have received the gift of the Holy Ghost, four have been baptized in the wonderful name of Jesus and five have been healed!

Looking forward to what God has in store for the month of July!
