Bible Studies

This past month of June we held four Bible studies in the city of Várzea Paulista on the 1st, 9th, 15th, and 29th. God is doing a special work in the lives of this family, and we request that you all please continue to keep them in prayer!

We also had a special Bible study and visit on the east side of the capital city of São Paulo with Roselaine and her family on June 16th. Once again, please continue praying that the seeds being sown will bear much fruit!

Embu-Guaçu

Pastor Lucas in the city of Embu-Guaçu made a special request from us for more instruction on marriage and family in his church, so on three Sundays in the month of June (4th, 18th, and 25th) we gave lessons on those topics.

God moved in a special way, and we are praying for stronger families in this local congregation!

Campinas

On Sunday, June 11th, we attended a baby shower along with several of our friends in the city of Campinas, and that evening we participated in a special service there. We were able to see our friend's newly purchased home as well while we were in the city and enjoyed the fellowship. We feel very thankful that we have some amazing friendships with many of the locals here in Brazil!

Bible School

All four Saturdays in the month of June were eight-hour Bible school days. Aaron did a great job teaching Old Testament history and geography, and on the final day of class the students arranged a celebration for Aaron's birthday together with our student Leticia's birthday.

Once again, thank you for believing in us, praying for us, and praying for this amazing nation of Brazil.
