

June 2017

This first month in Glasgow Scotland has been so amazing. We had 3 weeks of classes where we for to hear from a variety of people who each have done and are doing wonderful things for missions, and then we had a week belong prepare for the lifted concert and HBC graduation. These classes were really impacting for me because they really helped show me a lot more of what all goes into being a missionary. The services and prayer meetings were awesome as well, we had 4 baptisms, 5 healings, and 3 people received the Holy Ghost. We got to do different things on the weekends, I went to Edinburgh, Oban, Isle of Arran, and we also went to the HTC graduation. It has been an amazing experience so far and I cannot wait to see what is still to come!
