Monthly Report-June 2017

Praise the Lord! God is doing awesome things in Japan! In June:

- Preaching point in Hiroshima begun. God provided the leader with a new job, including great hours that will not interfere with her outreach time. She is currently having people over to her house for worship, prayer and fellowship each week and sends us weekly reports. The group there is already beginning to grow. We are so excited about what God has in the future for the church in Hiroshima!
- The saints from Oita travel two hours one way to Fukuoka each week. We can see a new preaching point in Oita coming up soon. Once the church is “on location”, it can more easily multiply. Look out Oita!
- This past week, I traveled to Mie Prefecture with Brother Doan to teach Bible school and minister to the churches there. God filled five people with the Holy Ghost and two were baptized! Glory to God!
- Laura is tutoring a student from Brother Black’s third grade class. Since meeting her and her mom, they have attended our worship meeting and are coming to our house for Bible study this week. Yes, Japanese people are hungry for the good news of Jesus Christ!
- Final preparations for Japan AYC are being made. It will be held in Fukuoka from July 8th-18th. Please keep us all in prayer. We’re believing for a mighty impact in Fukuoka, Hiroshima, and Nagasaki in Jesus’ Name.

May God richly bless you all!
