

Jorge, Amy & Lucas Ortiz Israel

June 2017

Shalom from Israel! We are so thankful to be here in this wonderful country. Before I left Israel in 2006, a Rabbi told me: *"Jorge, you have to leave for right now, but when you return you will be different"*. At that time, I never could imagined all that God had in store for my life and the journey He would take me on to reveal **His NAME** to me. We arrived in Israel on May 30th ,right before the beginning of the festival **Shavout (Feast of Weeks)** or as we better know as **Pentecost**.

Over the past month our family has been able to travel around Israel, getting to better know the land and also reconnect with friends and family.

We have also had the privilege to minister in the different congregations in Jerusalem, Tel Aviv and Ra'Anana. We also were part of Campmeeting 2017 where God moved in a tremendous way.

We are very thankful for Rev. Dennis and Stephanie Moore and the work they are doing here. They have been so very kind to us.

Please help us pray that God will continue to open doors to connect with those who want to hear more about **His Name**.
