

Scotland: Next Steps

Hannah Sherley

June 2017

I have been so blessed to be apart of the 2017 Next Steps program, in Glasgow, Scotland. The three week courses have opened my eyes to the scope of missions and allowed me to see the opportunities I have to serve in a greater capacity for the kingdom of God. There is a great work in Glasgow, and I am thankful for the exposure to these great people, and for the opportunity to serve alongside Bro. and Sis. Kelley and their wonderful team. Helping in any way we can has been so rewarding, from cleaning, preparing for Harvest Bible College's graduation, handing out invitations for their annual lifted concert, and getting involved in focused home prayer. The Next Steps team was also able to preform at a local cafe where we are able to make great connections with hungry souls. Being in Scotland has pushed me out of my comfort zone and given me the ability to know God on a new level, and to see souls in a new way.
