The King's Knot from the top of Stirling Castle

JUNE 2017

Quick Review:

Over the past four weeks, we have attended classes that have impacted and equipped us for the next stage in our trip, and the rest of our lives. We were able to help prepare for Harvest Bible College's "Lifted Concert" and the graduation. Next Steps also put on an iCafe Concert where multiple visitors came, and connections were made. We have also seen multiple people baptized and filled with the Holy Ghost, and others healed! It has been a wonderful time so far and I am looking forward to the next three weeks!
