MONTHLY NEWSLETTER

"Declare his glory
among the nations, his
marvelous deeds among
all people."
Psalm 96:3

Greetings from Japan!

September and October were filled with amazing opportunities, and I'm excited to share some of the highlights with you!

In September we were able to kick off Children's church here in Naha, and while it is still a work in progress, I am excited to see how it will grow and develop. We were also able to refocus on the youth, and started monthly events to help get our kids involved and excited about living for God.

It was great to be a part of Purpose Institute graduation, and to see the impact this ministry is having here in Japan. There were several students who graduated, and many of them have committed to reaching their communities through outreach and home groups. The training PI offers is such an important part of the vision to reach Japan and beyond.

Thank you for your continued love and support. God is doing great things here, and I'm learning and growing a lot! I'm really enjoying getting to know more about the culture and people, and consider myself so blessed to do life and ministry here. Enjoy the pictures below, and please keep Japan in your prayers.

Yours for the Kingdom,

Tricia

the ministries of Bro. and Sis. Shalm,

PI Graduation - So proud of these graduates and their hard work! Amazing group of ministers with passion and vision to expand the Kingdom.

Enjoying learning more about the culture, and loved dressing up in my yukata for our city Matsuri (festival)

Learning the ins and outs of fishing - connecting with Japan's vast fishing culture.
