It's Good to Be Home...

After spending the last year here in Scotland at Harvest Bible College as a first year student, I returned to Arkansas for the summer. After two surgeries and raising my funds all in 7 weeks, it is finally good to be back in Glasgow, Scotland to continue my education and ministry at Harvest Bible College as a second year student. In the pictures below from left to right, we are in the city center showing new students around Glasgow, the middle picture we are praying with the homeless in our city and in the last picture I am blessed to be a part of Wednesday services in worship, speaking and in leading services.

International Sunday

Celebrating cultures and countries around the world.

Harvest Bible College

The best Bible College in the world.

The Beautiful Highlands

Occasionally we get the chance to take a lovely hike to the mountains.

A New Beginning

“Greater things are yet to come, greater things are still to be done in this city..”

This year I am blessed and excited to be a part of the Second Year Program here at HBC. This program consists of 1 online course through UGST and the rest of the course is made up of hands on practical ministry.

In the month of September we had the opportunity to attend Ignite National Youth Rally in Edinburgh and be with churches from around the nation. As I mentioned earlier, I am thankful to help assist in leading the Homeless Outreach ministry once a month. This involves taking the homeless a packed lunch, hot tea and coffee as well as taking time to sit down and talk and pray with them. I am thankful to be a part of such a wonderful church.

The longer I am here in this city and the more time I spend traveling throughout the United Kingdom my heart continues to grow for these people. I am excited to be a part of such a wonderful work here with Brother and Sister Kelley. I cannot wait to update you on weeks to come! Blessings from Scotland!

“ Verily, verily, I say unto you, He that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father.” John 14:12

HOME GROUPS

The Second Year Students are heading up a Home Group in Castlemilk, an area on the outskirts of Glasgow. We go every other week to teach a family of six. We start off by singing a few songs and then split up into two different lessons, one for the kids and one for the adults. In this picture we are singing a song we learned in our lesson. Our goal is to see this home group grow into a community bible study and eventually become a daughter work! We are expecting great things in Castlemilk.
