## Scotland, United Kingdom

**30/30 in London**

“Then saith he unto his disciples, The harvest truly is plenteous, but the laborers are few; Pray ye therefore the Lord of the harvest, that he will send forth laborers into his harvest.”

**Matthew 9:37-38**

### **Greetings from Scotland!**

This month has been busy to say the least but absolutely incredible! I am in awe at what is taking place in Scotland and all throughout the United Kingdom! Be blessed!

### **Ireland Youth Retreat**

We had a great time in Dublin, Ireland this month with missionaries, Bro. And Sis. McFarland! This was a weekend set aside for youth services as well as a time to just get away and fellowship with other youth groups throughout our district. From worship and teaching in the outdoor tent to delicious food and games, this weekend was one to remember! We were blessed to be hosted by such great people!

### **30/30 in London**

This past weekend we traveled to London for the 30/30 Conference. This is an event held every two years and is targeted for young people under 30 years of age. The day sessions and seminars were focused on growth and how to become a better leader. As a Second Year student from Harvest Bible College, I had the privilege of speaking and taking part in the sessions on Friday.

## Super Sunday!

Twice a year we set a side a Sunday aimed towards younger children and the Sunday School Department. This is a day filled with music, games, skits and more! Pictured to the left is myself praying with a girl who received the Holy Ghost!

## Perth

Perth is a city about an hour from where we live here in Glasgow, Scotland. It has been a Target City for over 15 years now, that meaning a city without an Apostolic church or meeting place. When beginning the Second Year Program here at HBC, our class set group goals and one of those goals was to reach this lovely city. We didn't really know what to expect or how to go about it so this month we jumped on a train and headed for Perth. Upon arriving we had no clue where we were going, this was a brand new city to us. We began to walk the streets of Perth praying for the souls in this city and for opportunities to make connections and contacts with people to give Bible Studies to over time. Within our first day, God led us to people that would only be the start of something amazing. Last week we met up with a young lady in Perth who asked us to teach Bible Studies and lead Home Groups in that city! We are excited about what God is doing in this nation. To the left I am holding a bag of seeds we prayed over and planted as we walked the city of Perth as a symbol of the Harvest. Below is a picture as we stopped to pray looking over the city of Perth. Please join with us as we continue to pray and work in this ministry. We are believing for great things!

This past week we are rejoicing over 4 people being baptized in Jesus Name! Glory to God!
