October Update

Cadd family in

MADAGASCAR

This month was dedicated to an intensive study of the Malagasy language. We temporarily moved to the city of Antsirabe, in the southern region to study. After six weeks of language school we are able to get around town and communicate the basics in Malagasy. Please continue to pray for us as we strive to learn the language and begin communicating. We also visited churches in Antsirabe and further south in Ambositra.

David preaching in Ansirabe.

It was absolute honor to meet Sister Feline! She was one of the first converts in Madagascar and the first licensed minister of the United Pentecostal Church in Madagascar. She translated for David and I while in Antsirabe.
