

# HUNGARY

October month was a great month, we had our Monthly service on the 8th. Justin Ward and his wife Caroline from France was here with us, he preached about „Focusing on the big picture” and also helped us with the music, Caroline helped us with the kids. Attendance number was 16. We are thankful that God brought this precious couple here!

On October 22nd we had the Pastor of the Budapest Church taking his time out on his deputation, and come visit us! Pastor Patterson preached to the Budapest church, he talked about what our focus should be, and that the Bible tells us to get along. We are not in the business of exalting ourselves or our own gifts. We exalt Jesus Christ. Thankful for our pastor who stands for truth. We are honoured to work with Pastor Patterson and his wife Sister Jill Patterson. October is pastors appreciation month, we showed our respect to them and thanked them for their tremendous Work they do in Hungary. The Bible tells us to do so in 1 Timothy 5:17 "Let the elders that rule well be counted worthy of double honor, especially they who labor in the word and doctrine". Respecting our leaders will result in submission and unity.

A great BIG Thank You to all who support us in prayer and financially! Together we are reaching Hungary!  
God Bless you!

Almers Krisztina and Robert Cseh , Hungary.
