

# Revival in the GSN

October Monthly Report

**The month of October has been exciting for the GSN. God has continued to give the churches here steady growth. The AIMer's and field leaders are working together in unity to accomplish the task of reaching the GSN with the Gospel of Jesus Christ. We are continuing to believe God for the vision of Doubling the work of God in the GSN.**

Early this month we rejoiced at the installation service of Pastor Lizardo and his family. Pastor Lizardo has proven to be a faithful, loyal, and hardworking man for the kingdom of God. We are excited about his leadership and the growth that the church in Bonn is going to experience under his direction.

In the year of 2017 the Church of Acts in Vienna has seen:

85 have receive the Holy Ghost.

94 have been baptized in Jesus name.

We've have held 3 crusades with former Trinitarian pastors where 84 have received the Holy Ghost.

18 were baptized in Jesus name.

Late in the month of September a team of workers traveled from Vienna to the church in Bonn. While there they helped the local saints to remodel the sanctuary, nursery, and community area in the church. The team painted the walls, expanded the platform, installed new walls and helped with some electrical installation.

One of the ways we reached out to our community this last month was through a community park outreach. The church gathered together at Hyblerpark for some fun, fellowship, and food. While there the youth were able to bring some of their unchurched friends to enjoy fellowship with the Church body.
