* ASIA *

JULY/AUGUST/SEPTEMBER 2017

The summer has been a busy one as we have much to share with you as God has been working in Asia! We have continued our weekly Bible Study group meetings with our Chinese friends, many of which are connected with us through the underground Christian school we help at. Nathan has been teaching on the books of Acts, Romans, and Corinthians and we are continuing to train our friend Ada as she has already taught and led a few Bible Studies in our home as well. Please pray for Ada as God has a great purpose for her life. We have had several prayer meetings with her as she is seeking God's will and direction in her life. Please also help us pray for the Chinese people in our weekly Bible study group home meetings.

At the beginning of August, Leah was in professional training for a week for the school she teaches at. School started mid August and Leah is now teaching a kindergarten class. Besides normal education, the children's curriculum is Bible-based. God has a purpose for each child's life and Leah is excited to make a lasting impact on their lives. And beyond that, many parents are being impacted by the ministry of this school. Many parents attend our weekly home Bible study group meetings. We also thank God for His favor and protection upon this underground Christian school and ask that you would continue praying for this wonderful ministry.

The school has recently had a need for more space and in August God blessed the school with a 2nd apartment to hold classes in. The 2nd and new apartment features an extra room and the principal of the school asked us and gave us permission to use that room as a chapel to hold Sunday church services. We were very excited about this new opportunity and in September had our first official Sunday service. There were 15 people in attendance as Nathan had a Sunday school lesson for the adults and Leah held a Sunday school for the children, using used Word Aflame Sunday school material, donated by a church in America. For Sunday worship service Nathan taught on the Oneness of God. The next Sunday, there were 20 adults in attendance and 12 children! Nathan preached on Baptism and receiving the Holy Spirit and at the end of the service God moved and filled several people with the Holy Spirit! Two women were very close to receiving the Holy Spirit as well—please help us pray that in Jesus name they will receive it too!

God is doing great things in the region of Asia we are located at and we are excited to share with you all next month again! As always, keep us in prayer and continue praying for the work God is doing in the Chinese people. Pray for our protection and favor in this country we are in that is hungry for God!

For HIS Kingdom,

The Johnsons
