**Greetings from France** dear partner in mission and **Thank you** for giving me a few minutes to tell you what good things the Lord is doing as a result of your giving.

**Annie & Ghislain** have been attending services since September. They're from a denominational background, love God, are sensitive to his Spirit and marvel that they cry every time they worship with us. Pray the Lord helps us lead them *"in the way more perfectly"*.

**French Youth Convention** has just wrapped up and young people were present from 18 countries. Several received the Holy Ghost for the first time. One man came 42hrs by bus (*one way*) so his daughter could attend! **Luke Levine** spoke and I assisted with translation. The word of God to this convention was incredible!

Last week saw **the passing of a pioneer**, missionary John Nowacki's mother. She was part of the first wave of oneness revival in France during the 1930s. Retired missionary Sam Balca preached the funeral and I translated for him into French.

**Bible School:** Liz has been teaching at the Bible School this fall meaning we are both teaching there each month. She is replacing Sis. Nowacki in the **Christian Living** course. Liz is also currently translating promotional materials for Purpose Institute.

Remember **Sis. Danielle** that we baptized 2 years ago? We were recently able to have a Home Bible Study with her son Rodnel for the first time. God has blessed her with a brand new apartment and she wanted to 'inaugurate' it with a Bible Study. We expect great things to happen in this apartment. She has another African friend that would like to take part in our Bible Studies... **Praise God** for another heart that's anxious to hear!

**Short-Term Missions Success:** To date nearly 300 copies of this book have been sold and used in several AIM & Next Steps training weekends. Additionally, it will be featured in an upcoming issue of **IBC Perspectives**. I couldn't be happier to contribute to other young people experiencing growth and satisfaction through short-term missions. (*available via PPH and Amazon.com*)

**Expanding Partner Base:** I'd appreciate your prayers as we recently reached out to nearly 200 churches in an effort to expand our base. **God is faithful** and we look forward to new PIMs coming alongside **already faithful partners like YOU**.

**One-time Needs:** As existing partners, would you help us with one of two special project needs?

- **Sophie graduates** from Abeka Academy (*Pensacola Florida*) in May 2018 and we'd like for her to attend the graduation ceremony. Would you help us make that happen by assisting with airfare or accommodation?
- **Dominic & Timo** must get braces. For Dominic, the need is especially urgent and he'll have them shortly after Christmas. Would you help us offset this previously unbudgeted expense?

**Designate Global Missions donations as: Mike Long France\* Acct. # 171805**

*\*Very important as there's another missionary Mike Long in Africa*

Whenever I stop to think, I'm amazed that God has allowed to be involved in his Kingdom in France. It's only because of you dear partner in mission... we're in this together.

**We serve because you send. Thank you for your financial and prayer support!**

To God be all glory!
