

# AIM 2 SCOTLAND

AIMer: JANETT MENDEZ

## NEWSLETTER: AUGUST-SEPTEMBER

### *Returning to the United Kingdom:*

Blessings to all who prayed, and have financially supported my return to the United Kingdom for another year of AIM/Bible College. It is with much excitement that I share this newsletter of all the amazing events taking place in the U.K. and the ministry involvement behind my 2<sup>nd</sup> year at Harvest Bible College.

In the month of **August**, my first week back in the U.K., I attended the UPC GB&I's General Conference in Llandudno Wales. This was the perfect way to start my second year in this land I now call home. Many were baptised, spirit filled, and renewed. The theme was Apostolic Impact, and I'm certain that those who attended left ready to make an IMPACT in their cities and around the world.

## *Northern District Children's Retreat*

Two weeks after our General Conference, New Life Church in Glasgow had the opportunity to host the Northern District's Children's Retreat. I was able to help decorate for the event, work in the kids' crafts and games, as well as help chaperone their field trip to the Amazonia theme-park. It's always a blessing to work with the Sunday School Department of New Life Church and the Northern District.

## *Harvest Bible College-Year 2*

In the month of **September** classes began for Harvest Bible College class of 2017-18. We had a total of 15 students enrol for the first-year programme, and 5 (myself included) for the second-year programme. I was privileged to assist the school as they prepared for and welcomed the new 1<sup>st</sup> year class, and with great eagerness and excitement began my next chapter as a Year 2 Student.

The Year 2 programme consists of 1/3 academic work (online classes through Urshan College), and 2/3 practical ministry with New Life Church, and surrounding churches. This is an amazing experience for anyone looking to continue their education while doing ministry on the mission field!

So far, my classes have been excellent and it's been such a blessing to do ministry alongside an incredible group of students/AlMers. As part of our group practical ministry projects, we have been involved in Homeless Outreach Ministries once a month, the start of a new Home Group, leading Wednesday Afternoon Services for NLC, and have set out to initiate a work in Perth, Scotland, a target city of the U.K. As part of my personal practical ministry, I've been given the opportunity to continue leading the Promotions Team of Harvest Bible College, assist in office work for the College, and assist in other promotional activities for the UPC GB&I.

Returning to the U.K. for another year has truly been a blessing. Again, I thank you for all your prayers, love and support. Together, we are reaching Scotland.
