the Lord did during German
Speaking Nations Youth Camp
2017 during Sunday service at
the Pentecostals of Berlin

The Pentecostals of Berlin Youth Group has started weekly Bible studies! We have been studying the word of God together and are excited to start sharing the word of God with our friends and those around us! One evening we got together and mapped our bibles with scriptures for baptism, oneness and holy ghost bible studies. It is an awe=inspiring thing to see young people on fire for God and desiring more of Him!

We are very blessed to have Sis. **Brooke Soto** with us from Wisconsin for the next few months! She has been used greatly here in Berlin with helping sing on our worship team and working with our little ones!

In a few weeks University classes are starting again and I am asking that you would join us in prayer and in fasting that God will continue to open doors to every university campus here in Berlin. We recently met a contact who will be attending the **University of Potsdam**! This has been a prayer request that the doors would be opened to this university for a while and I do believe this is our small cloud of a confirmation to a great revival that will take place at the University of Potsdam.

With a grateful heart, I want thank every supporter for their prayers, words of encouragement and giving so sacrificially. Without you it would be impossible to successfully reach Berlin with the message of Jesus' love and Salvation.

Sis Sarah Mock
