

Greetings from New Zealand

September recap

Praise the Lord! I am excited to report all the things God has been doing in the nation of New Zealand. Since arriving in the beginning of September I have gotten to know the local church congregation as well as fellowship with believers in the surrounding area through special services and a prayer conference. I have been given the opportunity to help prepare things for the large conference taking place later this month where we believe God will do a mighty work. Revival is taking place here and I'm thankful to be a small part of it for this season of life!

There are several different ministries I have gotten involved with in my time here and they are as follows:

- Gained beneficial insight and knowledge from attending a prayer conference instructed by
- Assisting the National Youth Division of NZ with designing a logo and planning for future youth events.
- Assisting the Sunday school department in the local congregation through helping teach and give insight during department meetings.
- Organizing various materials at the church.
- Helping prepare for the national conference being held later this month.
- Organizing a church directory complete with pictures.
- Attending and participating in local/regional youth events.

Blessings,

Stephanie Penn
