

# Greetings from New Zealand

## *October Recap*

The past month here has been a wonderful time of seeing God move within the local church as well as the national work. Just a couple weeks ago believers from across the nation gathered for the UPCI of NZ General Conference. The conference was aptly themed Moving Forward and you can tell that the believers of this nation are ready to propel the work of the Lord forward in unity and apostolic authority. It was also a tremendous blessing to meet and fellowship with Bro. and Sis. Buckland while they were here for the conference.

On a local level I have been involved in corporate outreach as well as personal outreach. During my time here I have been staying with a wonderful, local family that attends a non UPCI church. Their oldest daughter was able to attend church with me this past Sunday and absolutely loved the experience and couldn't wait to come back. I believe that God is sowing seeds in this family that will continue to grow even beyond my short time here. God is moving and preparing the hearts of the people in this nation for a great revival!
