# REGIONAL HIGHLIGHTS

## AFRICA

Recently, the National Conference of Sierra Leone took place. The founding missionaries, the Donald O'Keefes, returned and were present. While there, they visited one of their old homes they had not seen in over twenty years. The adventure of missions will forever shape your life. You will see many new beginnings throughout the time you serve on the mission field, and it is such a blessing to be able to go back to the field and celebrate the fruit of your labor. What an awesome experience for the O'Keefes to not only see their old home, but also see how far God has carried the church in Sierra Leone! You may never know what your investment will do until Heaven, but we hope you get to see a small glimpse while you are here on Earth!

## ASIA

The Fudalas in Thailand sent in this awesome testimony last month about one of their new converts, Max. We love hearing all the things that God is doing through them. They are truly seeing revival in Thailand!

“Last month, thanks to one of our converts (Max), we were invited to speak at a public school in Chiang Rai! They have about 500 students and roughly 175 of them are Christian. After we baptized Max (who

had also received the Holy Ghost in his room as he prayed), he went to his school and began to share what God had done. His teachers were curious so they decided to have a day where the Christians could have a service for their students. They invited Max to share his testimony and he gave it to all of the Christian student body! Well, after this, his teachers wanted to meet his pastors so they wrote a letter to us inviting us officially to speak for about an hour. About a week later we arrived and Sister T spoke to them about who Jesus is. At the end, T asked if anyone wanted the Holy Ghost and NO ONE raised their hands! We thought "Oh well, we tried" but then T asked if anyone needed prayer for anything and 2 people raised their hands. We walked to the back to pray with them and as we did, they began to cry and T started telling them about the Holy Ghost. The 2 kids began to pray louder and then more people came around as everyone else was leaving. One hour later, 11 people had received the Holy Ghost... IN A THAI PUBLIC SCHOOL! That weekend, we held our first revival service and invited some people from the Chiang Rai churches. Max also came but he didn't come alone... he brought 8 people from his school with him that we helped to pray through!

After 2 days of powerful services, we baptized 7 people in Jesus name! Max has also been connecting us with more of his friends that he has prayed through to the Holy Ghost as well as bringing them to our home to be baptized in Jesus name! We have now baptized 16 people in the first 3 months we have been here!" -Brother & Sister Fudala, Thailand

## CENTRAL AMERICA/CARIBBEAN

In September, HOME International in Guatemala celebrated their one year anniversary! We are so thankful for all the provision God has given to establish this children's home. A special thanks to missionary Lynne Jewett, AIMER Amber Corey, the HOME Director, and all the other AIMers, workers, and partners who have worked so diligently to make this possible. We look forward to hearing continued reports of progress throughout year two!

### Special Urgent Prayer Request from Gail Burton, Missionary to Venezuela:

The situation in Venezuela is becoming quite desperate. We have had saints die because they can't get the medical attention they need or medicine. Just recently we had pastor who was murdered. People are digging through garbage to find something to eat.

I am asking prayer for a special need for the Bible School and also for us personally. We were finally able to get cooking gas for our Bible School and for us. Things are getting harder to find and expensive, but God always sends someone to help us.

However, they are struggling to find the things they need (just not available...and also very expensive). There is an account string people could use to donate if they want? It is GMGP.6055.2201.

Thanks!
