

## Greetings from Scotland!

July has flown by rapidly! During this month we passed out around 10,000 fliers and have taken church surveys as well. Though passing out fliers we have gotten great feedback. Can't wait to hear what God is going to do next!

We have also been participating in prayer walks all around Edinburgh. Strong hold are being torn down and great revival is coming! Just like the day of Pentecost, it's coming, but sometimes it's a gentle breeze before the rushing mighty wind.
