SUBJECT LINE.

THANK YOU FOR YOUR
CONSTANT SUPPORT AND
PRAYERS!

Bible School

These past two months we stayed busy teaching five full days of Bible school in three different locations! We had our final tests and closed out their final grades before starting deputation! We are so thankful we had the opportunity to gain many friendships and relationships through teaching this past school year!

Bible Studies

During July and August we held 4 home Bible studies in Várzea Paulista and the east side of São Paulo. Please join us in prayer for these families, that they will bear fruit in their proper season!

Local Church Services

We ministered in several local congregations, including in Represa, Araçariguama, and Rio Grande da Serra. We thank God that at least one (a young girl) received the Holy Ghost in services with us!

Special Trips (Manaus and CEIA)

We took two special trips during the month of August. Aaron was present for several meetings of the Brazilian national board in Manaus, and we both attended a special conference in the state of Minas Gerais. Bro. Stark from Ohio and his team gave tremendous training, studies, and teaching that weekend, and at least 13 received the gift of the Holy Ghost!

AYC (Apostolic Youth Corps)

Quite possibly the highlight for us during the past couple of months was the visit from AYC! North American Youth President and wife Michael and Rebecca Ensey and North Texas Youth President and wife Darren and Ginger Gilbert were the group chaperones, and we had tremendous results here in Brazil because of this visit! We had 6 church services and 2 days of evangelism during their time here, and 25 received the Holy Ghost, 3 were baptized, and many miracles and healings occurred (some of which we are still receiving word about). One local observer was so moved by seeing our evangelism, he donated a boat to the coastal church we aided so that they can continue evangelism of the nearby islands there. God is so good!

Our Deputation Miracle

As soon as AYC returned home we started packing and preparing to move out of our apartment in Brazil. Our flight back to the USA was September 5th, and we will now await our Deputation Orientation at headquarters in St. Louis and official deputation start date in October. A couple of weeks ago we did not know what we would do for transportation upon our return to the US, but God provided a 2010 Toyota Corolla with very low mileage to us without us having to pay a cent, thanks to two very kind pastors! We are blown away by the generosity of the body of Christ and by the providing power of Our God!!!
