## Commissioned and Reaping The Harvest

On Sunday, July 30<sup>th</sup>, we received our Prayer of Blessings, Impartation, Anointing, and Commissioning to be sent out by Pastor & Sis. Hood and Bishop & Sis. Hale, as well as, prayer from our Church Family. In turn we transferred what we received to the new Prayer Ministry Team Leader successors. The service that night was not ordinary from the very onset, as God used Pastor Hood to lead us in the vein of The Spirit. We were standing on "Holy Ground" in a God Visitation; it was sacred, sovereign, and awe-inspiring in a God way!!!

Since we've arrived, we've already dived into reaping the harvest by having Corporate Prayer, praying for the sick, strengthening and discipling new and established works and National Leaders, and personal evangelism. The young man (Shan) in picture six, on the left, is a staff employee where we were staying. He voiced he was sick. We asked if we could pray for him. He willingly let us in front of his other employees, seen in pictures six and seven. The next day, though Shan was off, we heard from Bajrangi (one right of Shan) he was doing better – "Thanks," Lord! :-D

## Mission in Action – "Unstaggering Faith!"

During our first church service, hosted in someone's home, there was an overwhelming feeling of emotions that came over us as we assembled with Indian people of like precious faith to fellowship, praise, pray, worship, and break Bread (The Word) together. At the end, we were asked to agree in prayer with one of our fellow brothers or sisters. Holding tight to a sister's hands, the impact of the moment hit me: I realized that in that very moment twenty-seven years of consistent prayer and fasting, visions, and dreams had come into a tangible reality as I now held the fruit in my hands – souls of India that had come to the knowledge of The Truth and were on a discipleship journey – each at various different levels of growth. Tears swelled in my eyes as I whispered prayers of thankfulness to The Lord. It took unstaggering faith (Romans 4:20-23) to stand on His Promises and to trust His Faithfulness (I Thess. 5:24). His Promises are Yea, and in Him Amen (II Cor. 1:20)!
