

REVIVAL...RENEWAL...REJOICE!

July 2017

What an incredible revival we have experienced during the month of July in Benin!

- We were so blessed to be joined by an awesome Apostolic Youth Corps group for a week and a half. While they were here, we held two crusades in two different locations. A children's crusade in Adjaglo (the Bible School location) and a Holy Ghost crusade in Calavie (a suburb of Cotonou).
- During their stay, we saw 53 baptized and 23 filled with the Holy Ghost! We give God all the praise!
- One of our goals for their trip was to start a new church plant in Calavie, one of the crusade sights. We had a marvelous crusade! The work in Calavie continues...after the departure of AYC, we are continuing to hold prayer services at this new location. Our first prayer service we had 16 in attendance and one man received the Holy Ghost!

Prayer Requests:

- Please continue to keep our next step in Missions in your prayers. We are waiting and trusting for God's perfect timing as we pursue the next level with Global Missions.
- Also, please keep Guinea in your prayers. There's a huge piece of our hearts that remain there. God has great revival in store for Guinea!
- Finally, please keep Benin in your prayers. God is doing mind blowing things here! We are so thankful to be a part of the work HE is doing here. Pray for His continued work as well as Missionaries Michael and Danan Benson. Greater things are on their way!
