

# November Newsletter

Scotland, United Kingdom

## *Update on Perth:*

As I mentioned in an earlier Newsletter, Perth is a city here in Scotland in which there is no Apostolic work. This year It has been a group goal for the Second Year students here at HBC to reach out and make connections with people in this city. As of this past week we are visiting every other week and continuing to grow friendships and make new ones! Towards the beginning of the year we will help in youth groups through the YMCA in Perth giving Bible Studies and connecting with young people. We are excited to see what God continues to do through this ministry!

## *European Youth Convention:*

This month I was able to return to France for the European Youth Convention! I attended last year for my first time and enjoyed returning and seeing familiar faces! As pictured at the bottom, we had a wonderful move of God in the services and had the privilege of having Bro. Luke Levine from Missouri as our main speaker. I was also able to meet with other AIMers (Associate in Missions) from Europe while at this convention as well. It is such a blessing to connect with your mission family from around the world. And of course we had to visit Paris in our free time! This trip overall was refreshing and life changing!

## *My Second Home:*

I am so thankful to be here in Scotland with Bro. and Sis. Kelley. I have grown in so many ways and been used in areas I never would have thought possible. I am enjoying working along side the Youth Leader here at New Life Church and also assisting in the Northern District Youth Department. I am blessed with a great second family here in Scotland!
