

Thank You!

Thank you for your prayers and support!! We arrived in Antananarivo on the afternoon of August 1st with all our luggage, which is no small miracle. Praise the Lord! Because of your prayers we did not experience one issue on our journey and made it safely to Madagascar! Again, I thank you!

August Update!

Since arriving in Madagascar, we have been busy securing visa's for one year, working with English club, and attended a regional youth camp, where David preached Tuesday and Thursday night. At the youth camp we witnessed 493 people filled or refilled with the Holy Ghost! We have also enjoyed fellowshiping and getting to know the Missionaries Chris and Paula Richardson. All while adjusting to the seven-hour time difference!

Prayer Requests!

- Pray for us as we learn and study the Malagasy language.
- Pray with us as we work with Missionary Chris and Paula to start Campus Ministries here in Madagascar.
- Pray for our continued good health here in Madagascar.
