Dear Partners and Friends,

Many events have been taking place in the last few months. There are a few major events highlighted here in the newsletter. Our annual conference was held in Goroka, attended by large crowds. It was wonderful and inspiring to have guest speaker Rev Errol Paulus and his daughter Gaylyn to be present and encouraging to all. A highlight was the Bible College graduation seen in the picture to the right.

BELOW: At a Port Moresby (capital city) meeting we were greatly blessed by the Bomana prisoners who attended with their life changing stories. They were accompanied by the Commander from the prison. These are maximum security prisoners most serving life sentences! What a difference the Lord has made!

I attended the Simbu Regional conference where thousands gathered in Kundiawa town. Here I was presented with a ceremonial spear (photo to the left) which is a very meaningful object of leadership and respect in the Chimbu culture. What a great honour I felt as I stood there before the crowds.

Work is progressing well on the Bible college buildings and we are nearing the stage of putting in windows and painting inside. I have had my father helping me and the workers on various occasions this year. **SINCERE THANKS** for your continuing support and prayers and we continue to work in this land of great need.
