

Sis. Fran Day October News Letter

October was a month of celebration and the blessings of God. God opened the doors as I was appointed as an Associate Missionary. I thank God for calling me to the nation of Bangladesh and the people of this great nation. It an honor to serve the people with the gospel of Jesus. Much work has already been done but there is much yet to be done.

Thank you for partnering with me in both giving and in prayer. Without you I would not have been able to answer the call.

Thy word is a lamp unto my feet, and a light unto my path.

-Psalm 119:105
