

Sis. Fran Day November News Letter

I thank God for the many blessings he pours out. In the month of November we held a crusade in Khulna, Bangladesh where we saw God pour out his spirit in a mighty way. We watched as God filled an estimated 1,150 souls with the Holy Ghost and 350 healed. The final night God led us into corporate prayer for breast tumors we watched as God healed 70 or more men and women. Countless people testified of tumors falling off as we prayed.

Thank you for partnering with me in both giving and in prayer. Without you this harvest could not have been reached.
