

# DRIGGERS- AIM TO SPAIN

“And your feet shod with the preparation of the gospel of peace...” Ephesians 6:15

We have completed our 6th month in Spain! Wow, how time is flying by! Thank you for your faithful support and prayers. We would not be able to be here in Barcelona without it.

Winter is upon us here in Barcelona. Some areas of Spain see significant

snow, but in Barcelona it is mostly only cold with typically no snowfall. The city is a little quieter in the winter. Despite the cold though, the church is busy with activity.

The work in El Prat continues and we are seeing continued growth. We are

meeting new people each week.

Progress is being made in attaining a new building for the church in Barcelona. This is a long process in Spain, but the church is working and trusting for the Lord’s provision in this. The Lord is faithful to His people!

JARED PREACHING ABOUT HAVING THE SHOES OF PEACE!

WE WERE EXCITED TO SHARE BARCELONA WITH OUR FAMILY FOR THANKSGIVING

ONE OF THIS MONTH’S BAPTISMS IN BARCELONA!

## PRAYER REQUESTS

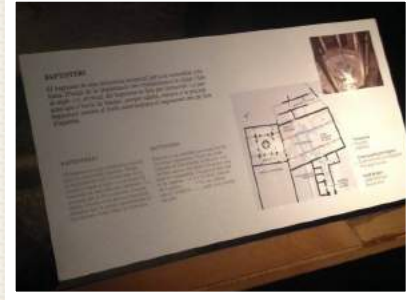

1. FOR THE LORD'S DIRECTION AND WILL AT THE CHURCH'S UPCOMING NATIONAL CONVENTION THIS WEEK IN MADRID
2. FOR THE NATION'S CHURCH LEADERS AND PASTORS
3. CONTINUED GROWTH AND DIRECTION IN EL PRAT
4. THE LORD'S FAVOR IN ACQUIRING A NEW CHURCH BUILDING IN BARCELONA

AS WE ARE LEARNING OUR WAY AROUND THE CITY OF BARCELONA, WE HAVE FOUND SOME VERY INTERESTING PLACES, SUCH AS THE HISTORIC CITY, "BARCINO", WHICH DATES BACK TO THE TIME OF CHRIST. WHILE IN THE HISTORY AND ART MUSEUMS RECENTLY, WE FOUND HISTORIC ITEMS EXPLAINING BAPTISM BY IMMERSION (TOP PHOTO) WITH A CORRESPONDING PICTURE OF AN ANCIENT BAPTISTERY FROM THE TIME. BOTTOM TWO PHOTOS EXHIBIT A PAINTING FROM THE 12TH CENTURY DEPICTING THE DESCENT OF THE HOLY GHOST ON THE APOSTLES.

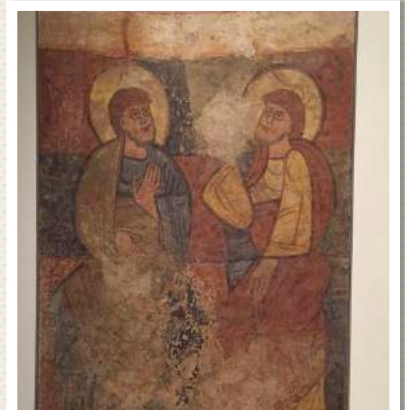

We are preparing for the church's national convention in Madrid December 7-9. The church organization in Spain will be voting to be a nationalized work at this conference. (Look for exciting updates in our next newsletter!) The work in Spain is growing. Daughter works are being planted throughout the nation, and people are responding the this great gospel! In a time of revival like this, please pray with us against spiritual opposition. We know that growth often comes with opposition, but our God is greater.

In the last six months, we have learned so much amount about the country of Spain, the people of Spain, and about ministry in Spain. We are so thankful for this opportunity to serve in this capacity. And we are thankful for the support of churches, friends, and family. Thank you for being a part of the work in Spain. God bless you!

Top Plaque explains that baptism by immersion was the traditional mode up to the end of the 9th century.

At the museum, the paintings from Bellocaire d'Empordà represent the Catalan and Aragonese pictorial strands related to Le Poitou, in central France. The fragment exhibited here forms part of the Descent of the Holy Ghost that presided over the church apse, of which another fragment is preserved at the Museu d'Art de Girona (part of the Museu Diocesà collections). Here we see two of the apostles who were depicted at the bottom of the composition, beneath the tongues of fire emerging from the Holy Ghost. This theme, rare in Romanesque painting, symbolises the beginning of evangelisation on the part of the apostles.
