

DRIGGERS- AIM TO SPAIN

WE ARE SO THANKFUL FOR OUR WONDERFUL MISSIONARY FAMILY! WE CELEBRATED JULY 4TH WITH SOME TRADITIONAL AMERICAN FOOD.

Time to get to work in Spain!

Dios te bendiga! God bless you! We are 2 months into our journey and are feeling settled. It has been a busy month getting into a routine and continuing the work. We are feeling well acquainted with our neighborhood and some aspects of the culture here.

One focus this month has been the daughter church in Manressa, a city about an hour away

from Barcelona. Jared has been working with the church men to remodel the new building. Progress is being made and they are expected to have their first service in the new building this month! Although Jared doesn't mind lending a hand, it has given him the chance to get to know some of the men better, and the church ladies' cooking gives some motivation!

We were also involved in Vacation Bible School for about 50 children. The theme for the 3 day program was "The Hospital, Where Nothing is Impossible!" There were snacks, crafts, worship, and singing. The most important thing to note is that 4 children were filled with the gift of the Holy Ghost! We are thankful for what the Lord is doing in the children and families of Los Pentecostales of Barcelona!

Vacation Bible School- The Hospital "Where Nothing is Impossible!" Four children received the Holy Ghost!

WE HAVE STARTED A BIBLE STUDY WITH THIS WONDERFUL FAMILY AND WE ARE EXCITED TO SEE WHAT GOD HAS PLANNED FOR THEM!

Work continues in the daughter work of Manressa

PRAYER REQUESTS

1. FOR CONTINUED UNDERSTANDING OF THE LANGUAGE, SO THAT WE MAY BE EFFECTIVE
2. THAT THE SEEDS PLANTED IN HOME BIBLE STUDIES WOULD GROW AND PRODUCE FRUIT
3. THAT MORE CONTACTS WOULD BE MADE IN THE COMMUNITY AND WE WOULD BE ABLE TO MINISTER THOSE IN OUR NEIGHBORHOOD

We are thanking the Lord for the doors He has opened. We have started bible studies with a couple that attended our church for the first time when Youth On Missions came to Spain last month. Their daughter also joins when she is able. It has been a pleasure to discuss the things of the Lord and see the hunger they have for more. Please pray with us that the seeds planted continue to grow.

As we begin to feel more and more settled, our understanding of the language grows. Jared was able to preach his first sermon solely in Castellano, or Spanish, and has since done so again. Jeanna has begun helping in the music department. Administrative duties at the office have kept both of us busy as well. We have been ministering at the Filipino church

as well at least two Sunday's a month. The services there are in English. It has been a joy to get to know them and the Lord has been with us and moved in each of our services. We are looking forward to being a part of this ministry.

Please pray with us that God directs us in our efforts as there is much to be done. We are seeking the Lord's will along with the guidance of the Harrods in deciding where we will be of the most benefit to His kingdom. Thank you for your continued support and prayers. God is faithful!

Warm Regards,
Jared and Jeanna Driggers
