## JUNE 2017

Greetings in Jesus Name! This month wrapped up the end of the school year at Harvest Christian Academy, where Leah teaches K-4 students. The school-year ended with a performance for all the parents and teachers to attend...Leah's K-4 class performed the Bible story of Daniel and the Lions Den and quoted all of Psalms 23, which they have been learning and practicing for months. It was a wonderful way to end the school-year for God's glory!

Nathan traveled to a nearby city recently to teach at another church for 2 days. He also continued teaching HCA on Fridays for the children's worship service, taught weekly piano lessons to two of our worship leaders, and attended Thursday Bible Study group weekly which is led by Chinese. We also continued teaching at our own home Bible Study group on Saturdays with an emphasis on "The Bible" - discussing Bible culture, history, and proper ways of reading the Bible...we then started on studying the book of Acts. Nathan & Leah also taught at an English Club on Sundays this month discussing American cooking and dining culture. Help us pray that God would lead non-believers to this English language club so that we may reach them with the Gospel! God is doing a great work in the Chinese people that we are in contact with and teaching. Please continue praying for the Chinese and our mission work here! And thank you so much for your continued prayer and financial support - you are a blessing to us and the work in Asia and we appreciate it so much.

For HIS Kingdom,
