Yingzi's Baptism, Visit to a Nigerian Church

Hallelujah. Thank you for your continual support, accountability, and prayers.

Yingzi has been coming faithfully to Tuesday prayer and Thursday Bible study. She came to church for the first time July 23. Bro. Robert Moses baptized Yingzi in Jesus name Saturday, July 29 in a hotel sauna room!!! Yingzi continues to pray to receive the Holy Ghost.

The first Sunday of July Sister Sheri Moses and I visited a Nigerian church. We connected with Mokun, one of the Nigerian students.

Kelly from hotel front

desk came over for lunch, and we read the Bible together. She introduced me to her grandparents, Heiki and Anne, in Mustamae. We had discussion about Jesus name baptism, Kelly translating into Estonian. The first week of July, Brother and Sister Moses, Anthony, and I went to Latvia. It was encouraging to spend time with fellow AIMers and missionaries there.

We also spent time with Harry, Bro. and Sis. Moses' neighbor.

Thank God for open doors to witness. We returned to Narva near Russian border and had

church. Prayer meetings have been powerful. At Thursday Bible study, Ester, one of the saints, taught lesson on prayer. We continue to visit Valja, Ukrainian elderly who has been confined to her home and pray for healing in her legs. In an area called Sitsi and Kari, there are many Russian speaking people, many being elderly. I started doing prayer walks and connecting with people there, playing with kids and praying with people. Tina, who believes in witchcraft, is more open to Bible reading and prayer. She came over for dinner on July 24.

Prayer list— pray for Yingzi, for Holy Ghost to fall!, for Tina and Kelly for salvation, for Valja's healing in her legs, for Christel, healing from cancer near her brain, for me boldness and discipline in praying with people and witnessing, for souls!

July 2, about 20,000 young people from all over Estonia gathered in Tallinn for youth song festival, held every 5 years;

US Vice President Mike Pence visited Estonia on July 30. Sister Ingunn took us to see Air Force 2. Michael, Christopher, and I waved at the vehicles escorting VP. We wished we had American flags!

THANK YOU FOR YOUR SUPPORT.
