**AIMer Vienna Austria**

Over the last three months the COA of Vienna has continued to work and pray for the year of double and that effort can be seen as it continues to grow. We have been seeing more people getting baptized and being filled with the Holy Ghost each service. We were blessed to have an anointed group of young people join us for a week in June with the Missouri Youth On Missions group. They spent their time with us doing outreach and ministering to the saints of the COA. Each week our team and many members of the church go out into the community in an effort to reach the city by doing outreach and connecting with people on the streets.

We have new faces at our Farsi services every week and we are so thankful that they are being filled with the Holy Ghost and baptized. We are especially thankful for those that continue to be faithful. I find great joy in watching our Farsi speaking brothers and sisters worshipping knowing that during song service they understand very little of what is being said yet they are able to worship and feel the presence of God.

The ministers in the GSN (German Speaking Nations) have been connecting with many trinitarian pastors and have been having services to reach them and they continue to be filled with the Holy Ghost.

Our youth group is preparing for camp in the next week and we are very excited as we are expecting there to be a mighty move of God. Bro. Robinette has invited a large group of trinitarian youth to join in our camp and we are very excited about that opportunity for them to be ministered to.

We are thankful for the prayer and support from all of you and ask that you continue to pray for the German speaking nations and the revival we are having here.

Yours in Christ,  
Kelsey McKelvie
