JUNE: NEW LIFE CHURCH-HARVEST BIBLE COLLEGE-NEXT STEPS 2017

The last two months have been full of excitement, joy, and tears as Harvest Bible College's term three finally came to a close. In June, my last month as a 1st Year student, I was privileged to take part in the hosting of the 2017 Next Steps team, was part of the ministry team to Edinburgh Scotland, and graduated in the largest 1st year class of Harvest Bible College.

In the month of June, New Life Church also saw baptisms, healings and a record attendance at house prayer groups. On the 21st June, New Life Church gathered together for a Night of Prayer. On this night of Ramadan, Muslims pray all night. We too, gathered on that night to pray for our Muslim brothers and sisters, for there to be a revelation of the truth and peace amongst this community and in the persecuted nations. This was one of the most powerful prayer meetings I had ever been a part of. I'm believing in a great harvest among this community, in Jesus' Name!

JULY: RETURNING HOME-UPC GB&I GENERAL CONFERENCE- NAYC17

On the 7th July, I returned to my home in Oklahoma for 3 weeks before returning back to the United Kingdom. During this time at home, I've been able to see family and friends, while also preparing for a great General Conference in Llandudno Wales. This conference will be taking place on the 1st -4th August. We are expecting great things for our Bible School Service on the 3rd August, as well as for the entire Conference. Join us in prayer for the United Pentecostal Church of Great Britain & Ireland's 2017 General Conference!

Before heading back to the U.K., I will also have the opportunity to attend the largest Pentecostal youth gathering in North America, North American Youth Congress. It is truly a blessing to be a part of something so monumental. It is an even greater blessing to be attending alongside a handful of other youth and young adults from the United Kingdom. This NAYC has gone global and I'm excited to be a part of it!
