Next Steps Was Just The Beginning

Two years ago when I applied to Next Steps, Guam was nothing more than a footnote in my history books. I couldn't have told you the first thing about it and barely knew where it was. However, as I began to prepare for my arrival I started to research the land and it's people. It didn't take long before I was in love with people I'd never met and longing for a place I'd never been.

TWO YEARS LATER

The day I arrived on Guam I celebrated 2 big events, I turned 40 and I had finally arrived back to the place I knew God was calling me to. I spent the first couple weeks settling in to a new place and doing my best to learn my way around the island. It didn't take long until it felt like I'd always just been here.

Youth and Hyphen

My real desire and passion at this point is to see the youth and Hyphen group at ABF grow and become the powerful, Spirit filled, Spirit led group I know they can be. Whenever possible I have been joining them on Monday evenings for youth prayer.

In June I joined the Hyphen group on a hike. As we climbed to the top of the cliff I couldn't help but to see the symbolism of what I am so desperate to see out of the group; climbing to higher heights in God and enjoying the view when they get there!

HIKING WITH HYPHEN Spent a Saturday in June hiking with the ABF Hyphen group. Together we climbed to the top to enjoy an incredible view. Hopefully a preview of what's to come in the Spiritual as well.

PRAYER WALK SUNSET Just one of the beautiful sunsets that I've enjoyed while taking a prayer walk around the island.

ONE CHURCH PREVIEW SERVICE Had an awesome time in prayer with the launch team as we gear up for the first official One Church Service in August.

One Church Guam - Preview Service

HELPING BUILD A NEW CHURCH

One of the most exciting things that I get to be a part of while here in Guam is the birth of a brand new church; One Church - Guam. I don't have the gift of being able to help through music or singing, but I God has put me in the unique position to help "behind the scenes". I have been working diligently to help get the technical aspect of One Church up and going in time for our very first service Aug. 6th by helping to set up our media and training others to be able to use the same program, as well as prayer and fasting.

We had a tremendous time on July 31st at our One Church Preview Service for the launch team, allowing us time to work through any snags that might occur so that we can put our very best out there for our incoming guests on that first service. It was an incredible time of prayer and we heard a great, faith inspiring word from Bro. David Dibble, "This Seat Is Taken."

We are all looking forward to great things happening in that first service on Sunday, August 6th!
