Konnichiwa to all (:

I must say I'm very excited to post this month's report. We have been praying and praying and praying some more for the people of Miyako, and FINALLY we have had a couple that got the Holy Ghost and baptized in Jesus name. In my last month's report, I spoke about a gentleman that I prayed with and God healed his rib, well he's the one who got the two keys and his wife as well.

Since the baptism and all that great stuff, we have been following through with Bible studies and fellowship, Shou (new convert) has also been bringing his friends to the cell group meetings. God is doing a great work. God bless you all
