"And thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind, and with all thy strength: this is the first commandment."

GREETINGS FROM OKINAWA!

We serve an awesome God. And I am thankful to know Him and to help advance His kingdom. With much work ahead of us, God has already done incredible wonders. I know previously I shared the same picture (bottom) with David's baptism. But I asked for everyone to keep him in your prayers. This last month, David received the Holy Ghost on a Sunday's service. God answers prayers, and I am thankful to bring that report to you. Thank you for your faithful prayers.

As a church, we have been focusing our efforts and prayers toward the Japanese. Focusing on training, discipleship, and Bible studies; which include development of new translators. Many young and middle aged Japanese have answered the call and want to help out. Please continue to pray that they remain hungry for the Word. I will not despise small beginnings. But give thanks for what He is doing.

I am always encouraged by the letters I receive from Head Quarters and your prayers. Thank you for your faithfulness and helping advance our LORD's kingdom.
