Month 4

Hello from Oman!

I've spent this month helping with the two churches here in Muscat, Oman. We baptized two this month in Jesus' Name. Also one lady, who just started coming to our church, has been working here for 7 years. Her father is a UPC pastor in the Philippines. She is so grateful to have finally found a UPC church in Oman! She has already brought several visitors!

We recently re-launched meeting with the men every week for fellowship. We have a different activity each week. We have had Bible study. We've been digging for clams at the beach too, and this past week we all had a blast bowling together.

Please, pray for all who live in Oman and the Gulf States. Pray for revelation of who Jesus is! Amazing things are happening!

GOD BLESS,
Ryan
