## A blessed month

This month has been a month of blessings for us in Madagascar, we were fortunate to celebrate thanksgiving with a huge meal that made us feel like we were home again. Ashley went to a ladies retreat while the missionary and I visited a church in the west. Also this month Ashley spoke at a conference for young girls about Pentecostal lifestyle and doctrine. We finished up the month with SALT II leadership training and cast vision with the Malagasy general board. All in all it was a great month and we are looking forward to December as it will be action packed!
