

This past year has been a God-ordained year with many miracles, open doors, favor and blessings for us and the city of Berlin. One of many miracles occurred the beginning of this year with being blessed with a renewable visa even after having visa and deportation issues the year prior. The Lord truly moves hearts of kings and principalities! It is a blessing to be AIMing back home in Berlin, Germany!

Campus Ministry: The Lord open doors that left us in awe – We had weekly Bible Studies at **Eberswalde Hochschule** and **Freie Universitat**. We also had a student from the **Technical University** attending our weekly Youth Bible Study. We were blessed to have **Bro** and **Sis Showalter** come and teach at the campus ministry back in the Summer sharing their hearts and burdens with us.

Youth Bible Study: Pfingstgemeinde Berlin did not have an established youth group at the start of this year, so we began weekly youth Bible studies with our first having only 2 and our gatherings grew by the end of the year to almost 10 young people coming together to learn about the Word of God, prayer, fasting and fellowship in our apartment. We had young people from Hong Kong, Iran, Egypt, America, Africa, Germany, and Greece joining us every week! We were blessed to have **Bro. Dylan Hover** an AIMer from Vienna, Austria come in September to teach on the Oneness of God as well as God's plan of salvation! We are rejoicing together that last week we had an Iranian Muslim student from the Technical University receive revelation that Jesus IS God! This is a major declaration, please join us in prayer that he will continue to grow in Truth!

Youth Camp 2017: Over 100 young people in attendance with Bro. Michael Ensey delivering powerful messages to the GSN young people with 17 receiving the gift of the Holy Ghost by the end of the week!

Berlin and Potsdam Churches: What an honor and joy it has been to work together with Bro. and Sis. Sledge who are fellow AIMers to Germany! Love these beautiful and amazing saints!!

General Conference and Elisha Conference

These conferences were impactful with speakers from America, the German Speaking Nations and Japan. Powerful worship, anointed preaching and moves of the Holy ghost with the Elisha Conference ending with **one baptized in Jesus Name!**

I want to thank every PIM and sponsor for their sacrificial giving to work of the Lord in reaching souls in Berlin. Without you nothing none of this would have been possible. I am humbled and honored to have each of you being faithful partners with me over the years. I am excited to start raising funds again and plan on a return early spring 2018!

In His Service,
Sis. Sarah Mock
