## October/November

### 2017

The month of October was a month of Sacrifice. Our family along with members of the church prayed more, read the Bible more and fasted. We created a prayer list and spent time praying over the list every day.

In the month of November, our family was blessed to attend the Asia Strategic Planning Session that took place here in HCMC. Missionaries from all over Asia gathered as well as the Director of Global Missions Bro. Bruce Howell and Regional Director Bro. Lynden Shalm. During the week, we were involved in leadership training seminars that were conducted by Bro. Terry and Sis. Melanie Shock.

This week was very refreshing to our family, as we spent time with other missionaries and were able to hear their stories. The people that we were able to meet are some of our heroes. Everyone was so kind and very encouraging.

A special "Thank You" to Bro. Shalm and Sis. Shalm for organizing this meeting, and for the opportunity to give the devotion. As well, a big "Thank you" to Sis. Kimberly O'Donnell from the Hong Kong church for taking care and planning events for the children.

## The First Purpose Institute Graduation in Vietnam

In the beginning of the year, a goal was made that we would have 4 years of course work condensed into 1 year. It was quite a challenge and lead to many 8 hour teaching days, and when you are the only teacher sometimes that can be draining. So to have the first graduation of the many to come is very rewarding. We are also very thankful for Bro. David Doan and Japan for all of their support financially as well as providing/being guest instructors.

This year we had 3 graduating students, who sacrificed to attend classes. For the graduation, we had 52 in attendance. We were fortunate to Bro. O'Donnell from Hong Kong to preach the service and Bro. David Doan to officiate the ceremony. Also in attendance: Bishop and Sis. Leow (Superintendent of Malaysia), Bro. and Sis. Amin (Superintendent of Indonesia), Bro. and Sis. Clevenger (Missionaries to Japan).

There was a powerful move of God all throughout the service. People were praying back through, impartations were given, and many were healed and restored. We are truly thankful to Jesus for how amazing the first graduation was.
