

Japan Update

Praise the Lord! God is doing wonderful things in Japan. In the month of

December:

* a 26 year-old Japanese young man living in Kumamoto Prefecture found us online. He was looking for ways to overcome the power of the devil. His brother has attended a Christian university here in Fukuoka where he obtained a Bible. After the recent earthquake in their area, the parents decided to get rid of all unneeded books. But Kazuhiro found the Bible. He began reading it and saw his need for baptism. We met him and taught him a Bible study, then baptized him in **Jesus'** Name at a nearby hot spring. He is so hungry for God and we are so excited to see him grow in the Lord!

*Miyuki, the lady from Hiroshima who was baptized last month joined us in service at our house. She received the Holy Ghost that day and returned home a new person! We traveled to Hiroshima and celebrated Christmas

in **Tomoko's** new home. Tomoko is so encouraged that her friend is hungry for God and things are happening in Hiroshima!

*We also had a Christmas party at our home on Christmas Eve. Three of our teachers from Japanese class attended and in all there were fourteen in attendance. Three of which were Japanese men! To God be the glory for the breakthrough we are seeing!

*Looking forward to great things in the new year! With our eyes looking forward and on the harvest, we will press on in **Jesus' Name!**

May God richly bless you all! We appreciate you!
