Missionaries David and Kelley Dibble

Micronesia / Pacific Regional Evangelism

Souls...

... are being baptized in water and with the Holy Ghost in the Micronesia sub-region of the North Pacific, from the Republic of Palau to Guam, USA, to Kosrae, FSM! Thank you for your prayer covering and financial support of our ministry!

OCTOBER 2017

Our One Church~Guam guest evangelist on All Nations Sunday was our son-in-law and younger daughter,

Rev. Corey and Danielle Boyte, vacationing on Guam from Toledo, Ohio. Forty attended with six first-time and two third-time guests. Corey preached "SALVATION: A Fork in the Road" and we had a marvelous service!

NOVEMBER 2017

Eight first-time and three second-time visitors attended as One Church honored several veterans and servicemen currently serving the US on Military Appreciation Sunday. This was also our *AIM Jenn Scott's* last service for 2017 (*above right*). We certainly appreciate all of her help this year and look forward to her return in late-winter 2018!

DECEMBER 2017

We're rejoicing after One Church baptized its first soul! Following our "With Thanksgiving" service (52 attended; 15 first-time and 2 third-time visitors), Joseph Rodriguez (*above*) went down in ocean water in Jesus' name! Relatives and friends came to support Joe's new start on life. What a great finish to 2017!

Little Eloise Genevieve Is Here!

Our first grandchild, Eloise Genevieve, was born to

Justin & Dana Stouder on December 28, 2017, via "urgent" C-section-- *healthy and whole!* On her Granny Dibble's side, Eloise is sixth generation apostolic Pentecostal. She's

pictured here at one week old with her maternal great-great-great-grandfather's 1915 Bible. May Justin and Dana train Eloise to walk with the Lord in Truth all the days of her life (3 John 4)!
