DAVIS FAMILY

FEBRUARY 2018

## February Newsletter

### Stay tuned

We are looking forward to taking our youth to a weekend outreach event called "moving out" in Sunderland England March 16<sup>th</sup>, 17<sup>th</sup> and 18<sup>th</sup>. We will be doing outreach in the community there and having fellowship with other youth groups that are spread throughout Great Britain and Ireland.

Greetings from the emerald isle. We've been busy since our arrival in January and we are not letting the grass grow under our feet. It is incredible how much God is moving and beginning to open many doors and we believe this is just a testament to the vastness of His plan for Ireland. We were blessed with a handful of New Beginning workbooks as a love offering and we are putting them to good use by starting four separate midweek Bible study home groups including the entire church body. We intend to make sure no one is left behind and that we are all on the same page with a sure foundation that is established in the truth. Our first mid-week youth bible study was such a success and although we currently do not have a church building, we are meeting in the homes of the young people or renting a conference room at a hotel or at the local college. Our young people are learning the importance of prayer and fasting and listening to the voice of God, and have committed themselves to join us on the 21 day Daniel fast with the rest of the congregation following their lead. We believe that God has marvelous things in store for the Pentecostals of Dublin and for the country of Ireland in 2018. Continue to help us pray that God directs us to the right building for a church and that revival would spring forth in this country.
