

# Sis. Fran Day February News Letter

Impacting month of February! Such an honor to have Bro. Bruce Howell (UPCI Global Missions Director) and our very own Asia Regional Director Brother Lynden & Kathy Shalm with us for the dedication of the land and Bible School construction. We received our 5th batch of Bible school students and classes are in session. 64 were watered baptized in Jesus name in the month of Feb.. We baptized one young lady on Sunday night and married her on Friday. Bible Students ended the month for me with a Surprise Birthday Party and High Tea with some Red people.

Thank you for partnering with me in both giving and in prayer. Without you I would not have been able to answer the call.

Thy word is a lamp unto my feet, and a light unto my path.

-Psalm 119:105
